Guest Speaker Last Meeting!

Kiersten Atkinson, Sales Manager, Red Raider Meats, TTU. Kiersten is a Tech AG graduate. She has a 1 yr. old, Kennedy, with husband Brad, and have a Show Pig as a pet! Future pork chops & bacon?? Kiersten brought summer intern Callie with her who helped with the presentation.

Kiersten informed us that the Tech Meat Lab restaurant is no longer called 'COWamongus'!

Raider Red Meats, 1308 Indiana, on campus, is pleased to offer curbside delivery. Please call 806-742-2804 to place your order and schedule your pickup time. Orders can also be placed online for shipping.

Raider Red Meats exists to provide hands-on, real-world experiences for students and to support scholarships for students in the College of Agricultural Sciences and Natural Resources. This is accomplished by providing the highest-quality, best tasting, aged beef, lamb and pork.

Raider Red Meats also offers selections from their Grill Menu, which is quite extensive! All meat is drug tested and is of the top 10% in quality. Although mostly Tech staff and students eat there, it is open to the public, as is the fresh/aged meat sales. Go online to see their selections. Store & grill are open 8-5:30 M-F only. Call 742-2887 for order reservations.

Profits from meat and grill sales go toward scholarships. **Kiersten** earned one herself!

Weekly Bio: Lequice Kohout

Well! Wayne found out some stuff he never knew! **Lequice** grew up in a small home on acreage outside of Muleshoe, and was a bit of a 'farm girl' with experience raising cattle and riding horses! She attended Muleshoe schools and graduated from Muleshoe H. S., then married Phil Lasater while attending Tech, graduating with an accounting degree. During Tech, she was a part-time bookkeeper for a Pest Control Co, in Lubbock for 4 years. This gave her experience that landed her a position at Tech in the Accounting Dept. She eventually rose to the rank of Associate Director of Housing at Tech, and retired after 29 years! Lequice has two children, John and Melissa, who gave her 5 grand kids! She divorced Phil, and years later met and married Wayne, who was divorced with three kids, and the rest is history! She likes both cats and dogs but decided to be pet-free (Wayne was trainable and was already house-broken!)

Next Flag Day is Tuesday, Fourth of July! There will be NO meeting that week – July 6th.

Bits & Pieces

On one of their special occasions, **Delores Upp** asked **Tim** to take her to one of those restaurants where they prepare the food in front of you. And off they headed to their neighborhood Subway!

A lady has sued a very reputable hospital in Lubbock, saying that after performing a surgery on her husband, he lost all interest in her.

Hospital spokesman replied in court that: "...her husband was admitted for cataract surgery and all we did was improve his vision.". Judge dismissed suit.

The reason I use an android is because Adam and Eve had an apple, and they messed up everything!

BIG Flag Day!!

Kiwanis Kudos!! to all the Route Volunteers! It would not have been a success without y'all!

We also thank the Tran sisters, Tram & Trang, who were critical volunteers in the morning, and the Bowers, Sherrie & Roger, afternoon volunteers, and all other helpful friends of Kiwanis I may not know about!

More Kiwanis Safety Vests will be ordered and made available. We ran out of them and really need all volunteers to wear one!
