## Guest Speaker for Jan. 25th

**Denise Stovall / Leslie Kacal**, Program Mgr./ Education Mgr., Center for **Early Head Start**, TTU, brought us info about their programs. High quality federally funded care is critical for young kids with moms in poverty. Programs cover expectant moms and those with kids birth to 3 yrs. of age, & those with special needs regardless of age. Currently 96 kids on E. side of Lubbock & 24 kids 'home-based' are enrolled at no cost. 9 classrooms w/8 kids per class, 1 adult to ea. 4 kids, assures proper attention & instruction. Social skills are most critical at this age, so kids can interact with one another appropriately. In 2015 the program was conducted at the former Martin Elem. School. Star Care occupied 1/3, **EHS** the remainder. In 2020 the entire school was donated to **EHS**.

Kids advance to the **Head Start Program**, 4-5 yr. olds., where they are assessed for skills/conditions, along with their mom/family who are also taught.

**Denise** said one of their programs provides 'individualized services' to special needs kids, who attend classes 7:30-2:00 p.m. There is a 'Wrap-Around' program from 2-6:00 for working parents, which is a critical need.

**Denise** says there are 75-80 adults: 30 FT w/benefits, 25-30 college students, and the remainder volunteers. The Martin Bldg. has an Outdoor Learning Center, outdoor play area, but limited parking for staff/volunteers on site. There are wheeled devices for handicapped kids to use in & outdoors. **Leslie** said they are always in need of volunteers for the 'Wrap Around' time after programs is finished. Please call her or **Denise**: 765-2737 or [ttuearlyheadstart](http://ttuearlyheadstart).

A check for \$1,000, funds allocated from our **American Flag Program**, was given to **Denise & Leslie** by **Tom**.

Bits & Pieces

My dog will eat anything until I put a pill in it!

If a tree falls in the forest and no one's there to see it, a Chihuahua 500 miles away will bark at it!

Mimi accidentally used our dog's shampoo. She told me she's feeling like "...such a good girl!"

I told Mimi there should be a 'calorie refund' for things that don't taste as good as you expected!

Mimi told me when she loses a sock during laundry "Guess what?!" "It returns as a plastic lid that won't fit any container!!"
