Our Guest Speaker Was:

Dr. Jenny Spurrier, Associate Dean, **SW Collection/Special Collections Library** at Texas Tech, gave us an in-depth view of the history and purpose of the library. It started in 1955, part of the University Libraries. The gallery along the N side of the 1996 building, houses permanent displays of the Southwest Collection as well as the other units of the SWC/SCL. **Other units** are the University Archives, the Crossroads of Music Archive, the Rare Books Collection, the Sowell Family Collection in Literature, Community and the Natural World. Also housed are the Sam Johnson Vietnam Archive (US largest!) and the Remnant Trust. Additionally, the facility is the home for editorial offices of the West Texas Historical Association & its annual yearbook.

Offices in the building open onto a rotunda by the third tower. The Library's 1688 Coronelli Globe is displayed in the rotunda, which was the Libraries' **millionth** acquisition!

Behind the offices are the non-public areas of the facility where documents & materials are processed. The building includes an 'accession area' where materials are received and logged in. From there materials, whether paper records, photographs or films/audio/video tapes, go to their specific areas for processing before they are taken to the stacks or the appropriate vault for storage in a building on E Loop.

Upstairs the stacks area offers a climate-controlled environment that helps prevent the intrusion of bacteria or fungi which could damage valuable books and documents.

The Hoblitzelle Conservation Lab provides for preservation and conservation of valuable and one-of-a-kind materials within the collections, and 6,000 oral histories too!

The Objects of Kiwanis:

TO GIVE primacy to the human and spiritual, rather than to the material values of life. (...starting with family)

TO ENCOURAGE the daily living of the Golden Rule in all human relationships. (...starting with neighbors)

TO PROMOTE the adoption and application of the higher social, business, and professional standards.

TO DEVELOP, by precept and example, a more intelligent, aggressive, and serviceable citizenship.

TO PROVIDE, through Kiwanis clubs, a practical means to form enduring friendships, to render altruistic service, and to build better communities.

TO COOPERATE in creating and maintaining that sound public opinion and high idealism which make possible the increase of righteousness, justice, patriotism and goodwill (...starting with one another!)

John Paul Batrice's

Bits & Pieces

The **longest drum solo** was 10 hours and 26 minutes and was performed by the boy sitting behind me on Delta Flight 963 from Dallas to Tel Aviv, Israel! Sheesh

As the **Clock Doc**, I think 'Spring Forward' would be a lot more popular if we moved the clocks ahead at 4:00 pm on a Friday!

My '**shower thoughts**': my stomach thinks all potato is 'mashed'!

A group of squid should be called a 'squad', am I right?

"I will be the last person to die in my lifetime!" **Mimi**: "Good grief!"
