Guest Speaker Last Meeting

Doug Hensley, Pastor of Forrest Heights United Methodist Church, and his wife came to give us a 'motivational presentation' about HOPE!

Doug was Regional Editor/ Director of Commentary for the AJ and had been with our paper for years. He felt God's 'calling' and was ordained as a minister while still on the AJ staff. **Doug** graduated from Tech with a Journalism degree!

Doug told us that everyone needs to have HOPE! Hope is what gets us going in the morning, and gets us 'up' when we fall upon hard times, accidents or illness. **Doug** said we need to have 'hope' about life, family, health & religion, which can really provide us with hope.

Doug, having been with the AJ so long, admits that the social and media outlets tend to report the 'tragic' and 'negative' things that occur, or might occur! Society 'teeters toward Pessimism'. But...the media also reports on the positive things that happen! We just have to look for them. They are there! With *hope*, and a *positive attitude*, you can find them!

Doug gave us several passages in the bible to ponder: Jeremiah 29:11 "For I know the plans I have for you," declared the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future". Young or old people without 'hope' have never gained, or have lost, their faith, and we must try to help them regain it. If we have *faith*, we have *hope*! If we have *hope*, we have *optimism*! We need to foster hope in ourselves, and then share it!

Doug's other bible passages: Gen. 1:1 – In the Big Inning... Using a bit of baseball humor. And Judges 16:22 – about Samson after his head was shaven and he lost his powers, and his hope. Finally, he reminded us that "Civil Discourse" must always be done softly with kindness, after listening 1st!

The Objects of Kiwanis:

TO GIVE primacy to the human and spiritual, rather than to the material values of life. (...starting with family)

TO ENCOURAGE the daily living of the Golden Rule in all human relationships. (...starting with neighbors)

TO PROMOTE the adoption and application of the higher social, business, and professional standards.

TO DEVELOP, by precept and example, a more intelligent, aggressive, and serviceable citizenship.

TO PROVIDE, through Kiwanis clubs, a practical means to form enduring friendships, to render altruistic service, and to build better communities.

TO COOPERATE in creating and maintaining that sound public opinion and high idealism which make possible the increase of righteousness, justice, patriotism and goodwill (...starting with one another!)

Bits & Pieces

I used to think I was indecisive, but now I'm not so sure.

I changed my iPod name to Titanic, it's syncing now.

I asked **Paul Rostad** if he had time for a cup of coffee and he said: "I am so busy doing nothing that the idea of doing anything-which, as you know, always leads to something - cuts into the nothing!... and then forces me to have to drop everything!"

The Energizer bunny was arrested and charged with Battery.

That WWI soldier who survived mustard gas and pepper spray was a seasoned veteran!

PHONES FOR SOLDIERS!

Tom Andrews wants any and all phones you no longer need, to be donated. Tom will take phones that are working or not. He sends them to Georgia where they are repaired/reset for use by military personnel overseas.
