PLEASE HELP RECRUIT A MEMBER!

Guest Speaker for March 14th!

Tammie Yule, 'What is Kairos?' it's a prison ministry for those incarcerated: Kairos Inside. And for the spouses/family: Kairos Outside.

KAIROS is a time when conditions are right for the accomplishment of a crucial action: the opportune and decisive moment. That's the dictionary definition; but is descriptive of the **Kairos programs**. (**Kairos**) is a Christian faith-based ministry which addresses the spiritual needs of incarcerated men, women, youth, and their families. By sharing the love and forgiveness of Jesus Christ, Kairos hopes to change hearts, transform lives and impact the world. Kairos sprang from the Cursillo movement and is supported by volunteers from the 4th Day movements such as Cursillo, National Episcopal Cursillo, Presbyterian Cursillo, Lutheran Via de Cristo, The Upper Room's Walk to Emmaus, and independently ecumenical Tres Dias as well as volunteers from independent and non-denominational churches. As a ministry, **Kairos** embraces a diverse group of volunteers working together to fulfill Christ's call to action in Matthew 25:36.

Kairos is a ministry of the church... a ministry of the apostles whom Jesus, the Christ, has called into community and sent into the environment of the correctional institution. **Kairos** has been called the best example of the early church in existence today.

The **Kairos program** incorporates curriculums designed to build and encourage pro-social character and behavior. Society spends over \$60 billion/yr. to keep more than 2.1 million inmates incarcerated, with nearly 650,000 people released annually. The Kairos program is offered at no cost to State and Federal Institutions. It's been said that it cost the government \$1 million to keep "me" locked up, and a \$100 program from **Kairos** set "me" free.

Kairos Prison Ministry International, Inc. is a 501(C)(3) not-for-profit corporation chartered in the state of Florida.

Our 'own' **Cindy Ham** is a 'Weekend Leader', and will be leading a 3-day session, 4/19-21, at the Amherst Retreat Center. It is primarily for women, and will consist of testimonies, prayers, and meal fellowships. Cindy handed out beautifully designed pages that is her 'Logo', to color!

Meals on Wheels need Drivers

(**Kairos** continued) **Cindy** said it costs \$125 to attend. **Cindy** is looking for volunteers to fill the role of: Angel, Create Agape, Donors (of cash to help women who can't afford the entire program cost), Singer, Team Member, and Transporter! Volunteers can call **Cindy** to find out when they can help anytime between Friday night thru Sunday afternoon.

Remember! Bring a potential member to a meeting soon! Club pays the meal

The Objects of Kiwanis:

TO GIVE primacy to the human and spiritual, rather than to the material values of life. (...starting with family)

TO ENCOURAGE the daily living of the Golden Rule in all human relationships. (...starting with neighbors)

TO PROMOTE the adoption and application of the higher social, business, and professional standards.

TO DEVELOP, by precept and example, a more intelligent, aggressive, and serviceable citizenship.

TO PROVIDE, through Kiwanis clubs, a practical means to form enduring friendships, to render altruistic service, and to build better communities.

TO COOPERATE in creating and maintaining that sound public opinion and high idealism which make possible the increase of righteousness, justice, patriotism and goodwill (...starting with one another!)

Bits & Pieces

For those of you who watch what you eat, here's the final word on nutrition and health. It's a relief to know the truth after all those conflicting nutritional studies.

1. The **Japanese** eat very little fat and suffer fewer heart attacks than Americans.

2. The **Mexicans** eat a lot of fat and suffer fewer heart attacks than Americans.

3. The **Chinese** drink very little red wine and suffer fewer heart attacks than Americans.

4. The **Italians** drink a lot of red wine and suffer fewer heart attacks than Americans.

5. The **Germans** drink a lot of beers and eat lots of sausages and fats and suffer fewer heart attacks than Americans.

CONCLUSION

Eat and drink what you like. Speaking English is apparently what kills you.
