John Paul Batrice's

**Bits & Pieces**

I used to play basketball, baseball, and tennis, but I stopped after my son broke my PlayStation!

My barber asked me: "How would you like your hair cut?" "In silence!", I said.

If you can't find your dog, open the fridge door. He'll be standing right behind you!

The Pope was early for his flight. On the way to the airport, he asked his driver if he could take the wheel for once. Suddenly, police lights flashed behind him. He pulled over, and when the officer came to the window, his eyes widened. He said to the Pope "Hold on a minute", and radioed the Chief. "Sir, I've pulled over an important person!" "How important?" the Chief asked. "I'm not sure, but the Pope's his driver!"
