Guest Speaker Last Meeting

Bradley Madison, Administrator, Calvert Personal Care Services (CPCS). **Bradley** has been a part of his family's business, **Calvert Home Health**, since its inception in 1987. While playing football and baseball at the Air Force Academy, he injured his back and had to leave the Academy. He enjoyed one last opportunity to play for Texas Tech. The injury turned from aggravation to career-ending. Suddenly, the health industry became a personal investment – he experienced how simple things could be hard for someone with limited mobility and poor health.

"I finished school in 2010 and did an internship with Congressman Neugebauer. They were putting together the Affordable Care Act, so I worked on early groundwork with that. My family has been active in the Texas Association of Home Health Care, a political action committee that tries to educate and help with legislative policies."

Watching budget cuts for home health care, he realized basic things – daily tasks that helped people live independently in their homes – would no longer be covered by Medicare. It wasn't just about making sure Grandma had her medicine. So in 2013, **Bradley** opened **Calvert Personal Care Services**, a complementary branch to Calvert Home Health.

"We provide assistance related to activities of daily living (ADL) and independent activities of daily living (IADL). We offer supervision and companion care. We see how they're doing and that they haven't fallen. We do light housekeeping, meal prep, running errands, bathing assistance, and dressing. We're on-call 24 hrs./7 days a week!" cpcsathome.com/services

The Objects of Kiwanis:

TO GIVE primacy to the human and spiritual, rather than to the material values of life. (...starting with family)

TO ENCOURAGE the daily living of the Golden Rule in all human relationships. (...starting with neighbors)

TO PROMOTE the adoption and application of the higher social, business, and professional standards.

TO DEVELOP, by precept and example, a more intelligent, aggressive, and serviceable citizenship.

TO PROVIDE, through Kiwanis clubs, a practical means to form enduring friendships, to render altruistic service, and to build better communities.

TO COOPERATE in creating and maintaining that sound public opinion and high idealism which make possible the increase of righteousness, justice, patriotism and goodwill (...starting with one another!)

John Paul Batrice's Bits & Pieces

One day God was looking down at Earth and saw all of the rascally behavior going on.

He called one of His angels and sent the angel to Earth for a time. When he returned, he told God, "Yes, it is bad on Earth; 95% are misbehaving and only 5% are not."

God thought for a moment and said, "Maybe I had better send down a second angel to get another opinion." So then God called another angel and sent him to Earth for a time.

When the angel returned, he went to God and said, "Yes, it's true. The Earth is in decline; 95% are misbehaving, but 5% are being good."

God was not pleased! He decided to email the 5% who were good to encourage them and give them something to help them keep going.

Do you know what the email said? Okay, I was just wondering, because I didn't get one either!
