## Guest Speaker Last Meeting:

**Aubrey Spears**, Director of Water Utilities, City of Lubbock, was going to bring us a very informative video program about the status of our water supply for Lubbock and Lubbock Co. and the water supply of Wolfforth and subdivisions developed long ago in Lubbock County. However, he decided to just take questions from our club members and discussed what was asked in some detail.

We asked **Aubrey** to come back to allow us to view his detailed video/power-point presentation, that he said would take about 30 minutes, at the Nov. 3<sup>rd</sup> meeting. He will! **So... be sure to be here to see this!**

Questions asked and answered by **Aubrey** were basically about the quality, and longevity, of our water supply, and the availability of potable well water in long established housing developments, like Highland Oaks, and others, not connected to Lubbock city water. **Aubrey** said our water supply is very safe, tho there are chemicals that are being tested for, that can enter our water supply, especially from plastic wastes and chemicals leached into aquifers from businesses, factories, farms, feed lots, military bases, oil wells, septic systems & excreted medicines, TXDoT facilities, yard chemicals/fertilizers. Availability of potable water is assured for decades with Lakes Meredith & Allen Henry and the Roberts & Bailey counties' well fields.

**Aubrey** mentioned that Lubbock will be developing Lake #7 in the Canyon Lakes project, that will eventually provide water for treatment and placed in our water system. This water is from our waste water treatment plant, as most of the water in Canyon Lakes.

## *The Objects of Kiwanis:*

**TO GIVE** primacy to the human and spiritual, rather than to the material values of life. (...starting with family)

**TO ENCOURAGE** the daily living of the Golden Rule in all human relationships. (...starting with neighbors)

**TO PROMOTE** the adoption and application of the higher social, business, and professional standards.

**TO DEVELOP**, by precept and example, a more intelligent, aggressive, and serviceable citizenship.

**TO PROVIDE**, through Kiwanis clubs, a practical means to form enduring friendships, to render altruistic service, and to build better communities.

**TO COOPERATE** in creating and maintaining that sound public opinion and high idealism which make possible the increase of righteousness, justice, patriotism and goodwill (...**starting with one another!**)

John Paul Batrice's

**Bits & Pieces**

**Heather Johnson** told me that when her husband **Russell** was in the hospital, a nurse came into his room and asked him, "Do you use oxygen?" With an incredulous look on his face, Russell replied, "Doesn't everybody!"

Scanning Tech Café's menu yesterday, I noticed that it listed both a hero and a sub. "What's the difference?" I asked my waitress. "Don't know, I'll find out." She returned moments later, "They're both exactly the same" "OK, I'll have one." Grabbing her pad and pen, she asked "Which one do you want?"

"Mimi says I only have two faults: I don't listen, and um something else."

**To My Children:** Never make fun of having to help me with my computer and phone stuff! Remember, I taught **you all** how to use a spoon and fork!
