Bits & Pieces

Brought back by popular demand:

Me: Bathroom is cleaned.

Mimi: Thank you!

Me: Why do we keep the toilet brush in the shower?

Mimi: What?

Me: Why is the toilet brush in the shower?

Mimi: What are you talking about??

Me: The puffy thing with the handle.

Mimi: MY LOOFAH?!

Me: You named the toilet brush?

My son **Remi** asked me what it's like to be a dad, so I carelessly broke my phone screen and made him pay for a new one!

Mimi said she's at her most 'hostage negotiator' when she sees her 3-yr old grandson holding a permanent marker without a lid!

Mimi said just as she got out of the shower, her 3-yr. old grandson walked into the bathroom. As she frantically grabbed her robe, he quickly assured her "It's OK, I won't laugh."

John said his 5-yr. old granddaughter shouted "I know the F-word!" "Now it starts" I said to myself". I asked her what it was. She very proudly announced "Phonics!"

The ULTIMATE 'Knock-Knock joke: "Knock, knock" "Who's there?" "Grandpa" "STOP THE FUNERAL!!!"

Having a '*Sense of Humor*' is therapeutic! Aren't you glad?
